

## Time by the Dime

Samiam

you're wide open  
and i'm not interested  
my mind wanders  
i could be home  
i can't believe it this is awful  
i've got better things to do with my time  
the day drags  
Time By The Dime  
the radio plays  
same old songs  
over and over  
it's my time i can be home  
my time  
my time  
my time by the dime.
