

# Free Falling

Sammie

Everybody needs somebody  
Someone to love  
Cause no one wants to be alone  
We ain't built like that no

I'm open baby  
I'm gonna jump  
With no parachute, will you catch me?  
Cause I'm free fallin, fallin  
Don't you drop my heart  
I'm free fallin, fallin  
Hope you catch my love  
60 seconds and my world changed  
Felt like the love what I feel in my heart  
You just callin, callin  
I'm free fallin  
Oh, oh, oh, oh  
I'm free fallin  
Oh, oh, oh, oh yeah

I hope that I don't scare you away  
Baby I can't deal  
If you gave my love away  
That would kill me

I'm open baby  
I'm gonna jump  
With no parachute, will you catch me?  
Cause I'm free fallin, fallin  
Don't you drop my heart  
I'm free fallin, fallin  
Hope you catch my love  
60 seconds and my world changed  
Felt like the love what I feel in my heart  
You just callin, callin  
I'm free fallin  
Oh, oh, oh, oh  
I'm free fallin  
Oh, oh, oh, oh yeah

I know it's unusual I'm here  
I'm right here  
Make it open, tell me how you feel  
Does your heartbeat beat, beat with mine?  
If not I'll die  
Cause I can't fly

I'm free fallin, fallin  
Hope you catch my love  
60 seconds and my world changed  
Felt like the love what I feel in my heart  
You just callin, callin  
I'm free fallin  
Oh, oh, oh, oh  
I'm free fallin  
Oh, oh, oh, oh yeah
