

Jam On Me

Sammie

Street love
(Ya'll know what it is)
Yeah
(Ya'll know what it is)

Your love is the aye
I'd been in the spot all nite
I'd been in the spot all nite
And I'm be ready to Dip Out Of Here
And I'm be ready to Dip Out Of Here
And I'm feel like a million bucks
And I'm feel like a million bucks
And your body got me so turn Out

I'm talking 'bout your eyes, your teeth, your smile, your feet. I sing alot a down but
You the one I want girl Your eyes, your teeth your smile, your feet I wanna ride out with you, girl...

The party's in my room
We good make the music Shawty come and jam on me
What you wanna jam on me Girl...
Your love aye
I'm so glad the we came in Out
I'm so glad the we came in Out
But I can't wait to we go back in there
But I can't wait to we go back in there
Shawty we come hit the waffle now
Shawty we come hit the waffle now
Then the fun gonna really begin

I'm talking 'bout your hand on me,
All over my jeans I sing alot a down but
You the one I want Your hands on me, all over my jeans Now what I'm about to do, girl...

The party's in my room My room is VIP
We go make the music Shawty come and jam on me
What you wanna jam on me Yeah...

Your love (Hey)
Your love (Oh baby come here)
Your love aye
Your love (Oh baby come here)
Your love aye
Your love (Oh)
Your love (Oh)
Your love aye

The party's in my room My room is VIP
We go make the music Shawty come and jam on me
What you wanna jam on me Girl
