

No More

Sammie

See just what your goin' through
With a man that beats on you, tryna tell you what to do
Everytime you try to figure out
Or come up with a way out, he's two steps ahead of you
One minute he loves you
Next minute he hates you
Girl you better hurry up and get out while you can
He's playin' on your intelligence
Girl your way too smart for that (I know Ohh)

No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more
No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more

Verse 2:

Don't allow you to talk to any other friends
When is this gon' ever end
First of all it must begin with you
Cause everybody sees
How bad this man treats you (Oohh how bad, how bad he treats you)
It's like your a slave, ___?
Like he's a king (Wooaah)
Self esteem shot to pieces
Contemplating to a side
Don't know whether to go left or right

No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more
No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more

After all the things he put you through, in the end
This love's the best thing he's ever had
And now he's actin' all shady
Cause he's missen' his baby
But it's too late cause she's gone
(No more)

No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more
No more tears
No more rain
No more hurt
No more pain
No more stayin' up late at night
No more fussin' and no more fighting
No more, no more
