

Unfaithful

Sammie

Ooo, Oooo
I'm not gonna lie
Have you standing by
Thinking that it is more than it is
I got feelings for ya
But I can't be with ya
Cause I know how I am and how I get down

Girl I'm a player
And I don't wanna play ya
I rather just let you be
Oh no
I'm not gonna be your responsible for leaving your heart broken
Oh no,.

I'm afraid if I stay I'm just gonna break your heart
Over and over again (over and over again)
Cause I know I'm not ready to settle down
So I'm not gonna lie and pretend

That I'm gonna be faithful
I'm gonna be faithful
I'm gonna be faithful to you x2

See my world is complicated girl
You even wouldn't understand
Even if I explain to you

Ey, yeh,
I'm not trying to throw you off I'm just trying to show you that I,.

Girl I'm a player
And I don't wanna play ya
I rather just let you be
I'm not gonna be your responsible for leaving your
Heart broken (broken... yeh, baby)

I'm afraid if I stay I'm just gonna break your heart
Over and over again (over and over again)
Cause I know I'm not ready to settle down
So I'm not gonna lie and pretend

That I'm gonna be faithful
I'm gonna be faithful
I'm gonna be faithful to you you x2

I'm afraid if I stay
I'm just gonna break your heart (I'm just gonna break your heart girl...)
Over and over again (over and over again yeh,)
Cause I'm not ready to settle down
So I'm not gonnna lie and pretend

That I'm gonna be faithful
I'm gonna be faithful
I'm gonna be faithful to you you x2
