

# You Should Be My Girl

Sammie

Ladies and gentlemen

You me girl we could do the thang  
You me girl we could do the thang  
You me girl we could do the thang  
We could do the thang  
We could do the thang

I know she like me i kinda dig it  
So i did my thang for her she joining wit me  
Now we getting groovy hotter than jacuzzi  
So shorty want you slow it down  
I see them otha fellas and i ain't hating  
They try to do it like me it ain't the same  
Front to back shorty side to side and lean wit it  
(you wit a solja now)

Cause you so fly girl  
U should come to my crib  
But he gone flip  
If he knew you were here  
I know I'm tripping but

You should be my girl girl girl girl  
(you should be my) you should be my girl girl girl girl  
(you should be my) you should be my girl

Its all ova town and we we get into it  
If thats the business  
We should keep on doing it  
Oooh you so grown wit it you betta gone wit it  
I love the way U break it down  
I gotta jones for you  
All in my bones for you  
Waking up three o'clock in the mone for you  
I neva sweat you baby  
But if you let me baby  
Know that ima put it down

YoungBloodz Sean Paul

U and me girl we could do the thang  
Put U in the Chevy let U grip wood grain  
Put U in the range wit some apple bottom jeans  
House of deron' and Some channel frames  
Got U on the celly got U calling sharmane  
Got U riding good got U popping champagne  
Got u riding dirty got u throwing up the A  
Got ya lil niece calling Sammie all day  
Chirping on my nextel on my 2 way  
Sending cute messages about dat face  
Said you was grown told me dat U didn't play  
And every since then its been all like A  
You and me girl we could do the thang  
Tell them who yo man tell em why U bling bling  
Tell em that your good  
Tell em that it ain't the same

Tell em Sean Paul told U money ain't a thang

Ladies and gentlemen

Ladies and gentlemen

For you

You are now tuned in to the very best

Jazze Phizzle

My man Sammie

We right back at u baby

Sean Paul

And lean wit and now snap

And lean wit and now snap

Lean wit

And lean wit and now snap

Now snap

Now snap
