

# Just Sayin'

Sammy Adams

yeah  
oh yeah  
Sam Adams  
MP3  
killa  
champs league

Chicks at my table lookin at me all perplexed  
Like if you ain't interested in me at least give me sex  
Whats next  
Take over electro, get dough  
longer than a giraffes neck go lets go  
wanna party with animals baby lets live  
rollin up while my manager checks in  
Your girl came through my spot with a terrence  
told me she was dolo so they heated when they rolled in  
secretary askin time on the weekday  
for you and homies to come check them on reply  
Iyaz runnin that solo no relay  
Juice all up in my rhymes  
Who are these lames

Wake up tip on to the next one  
am i running this game no question  
Sammy MP3 on the kick drum  
drill us up don't matter where we come from  
who are they playin, who are they playin, who are they playin  
I'm just sayin, I'm just sayin, I'm just sayin

Third wind haven't slept don't plan on it  
Rather smoke a couple grams go spit flawless  
Yup, the studio lookin like my home  
I'm gettin views like apps on the iphone  
Yeah, on tracks keep em local  
I might head down south MP3 get Loco  
Yeah, but i'm fine like Ocho  
Touchdown drivin my label gettin more dough  
And i'm winnin over the promo  
Shit I'm burnin got me movin in slo-mo  
From the biv that we burnin in the studio  
For all my fans i love yall the truest song

Wake up tip on to the next one  
am i running this game no question  
Sammy MP3 on the kick drum  
drill us up don't matter where we come from  
who are they playin, who are they playin, who are they playin  
I'm just sayin, I'm just sayin, I'm just sayin

who are they playin, who are they playin, who are they playin  
I'm just sayin, I'm just sayin, I'm just sayin  
who are they playin, who are they playin, who are they playin  
I'm just sayin, I'm just sayin, I'm just sayin

Wake up tip on to the next one  
am i running this game no question  
Sammy MP3 on the kick drum

drill us up don't matter where we come from  
who are they playin, who are they playin, who are they playin  
I'm just sayin, I'm just sayin, I'm just sayin

Who are they playin?

Not us

MP3

Sam Adams

Yeah

Uh Lets get it

Uh

Oh

Oh

Just sayin, just sayin, just sayin
