OK

Flow so cold with a bitch so hot  
Throwin' JCO, spit it out by drop  
Jop jop, jop jop  
So put your hands up like the crowds from the concert  
Went back to the real me  
Had to send my old stuff back to the realty  
And in the meantime, I be on my main grind  
I be out of my damn mind

All day up in the stool  
Boston's boy, man fuck all you  
Tell me you want, give you your rent back due  
Sold all these drinks before you know who  
Back on tracks, got my racks  
So 500, I ain't getting no pat  
Corner in the game, pop me with swing  
Feels so good like I'm back domain  
Yay card and I fuck that  
Vacate the fields so I choose the shack  
Joe found yay, I found me  
Funny how some dropouts get so paid  
Few fans left, real ones stay  
OK cool yea, that's that good  
Sendin out arinas to old 13  
MJ swag means 16 racks  
16 racks, 16 racks  
OK cool yea, that's that good
