

# Stop The Music

Sammy Adams

I'm not gonna let go of you girl  
Till you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop

Any other day I would shake this off  
But I'm in over my head  
So I keep swimming to the light til I'm alright  
And I'm just tryna get to the dance floor  
Cause I know if I can make it I can drown all of my problems for the night  
So I'm a keep moving  
And trickin while you watch me  
Actin like you don't want it  
But can't take your eyes off me

And I'm a be here til the storm stops  
The club closed so I suggest we take this to my place  
Or yours after this part if that's alright

I'm not gonna let go of you girl  
Till you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop

Any other girl I would break this off  
But there's something I can't let go  
And she has it, that's why I keep holding on  
I'm just tryna get out and there's more  
'Cause I know if I can get there  
I can see her and forget what's going on  
So I'm a keep drinking  
And acting like I don't see  
You over standing by the DJ  
But really watching so closely

And I'm a be here til the storm stops  
The club closed so I suggest we take this to my place  
Or yours after this part if that's alright

I'm not gonna let go of you girl  
Till you say stop  
You say stop  
You say stop

You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop

Imagine the stairs an elevator air  
When I celebrate this double 0 7 out of here  
So I slowly disappear to the hotel lobby  
With the cutie concierge, pass another group of hotties oh  
Any other day I shake this off  
Think nothing but I back up all my things, take off  
Cause all the other things in the world get lost  
When you dealing with a feeling, hear the kick drum round yea

I'm not gonna let go of you girl  
Til you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop

I'm not gonna let go of you girl  
Til you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop
