

# Whole World Watchin'

Sammy Adams

Brace yourself, brace yourself

U S to the A so clean

2011 2012s new team

Sammy Adams

Got the whole world watchin', comin' witness

O Ok Cool

Shootin' for the moon, takin' risks so we win big

One foot in the grave, I'm livin' so big

I'm diggin' so deep, kept runnin' through the pain

Got my hands on the wheel, lil swerve, lil blaze

And the man's cutting checks, putting words on the page

I I I I I'm 25 today

With a mind set like I'm 45 and retired

Hands up like you're hearin' sirens

Linin' up you haters in the motherfuckin' fiber

Your last chance, last summer

Your last dance, to beat to your own drummer

Go out fighting, go out young

A flash of lightning, clips the sun

Your last chance, last summer

Your last dance, to beat to your own drummer

Go out fighting, go out young

A flash of lightning, clips the sun

Brace yourself

Brace yourself, brace yourself

And we all about the wins kid

Got the whole world watchin', comin' witness

Lil bit of confidence, mixin in some fitness

Shootin' for the moon, taking risks so we win big

And I'm a star so I dream bigger

Dead night, in comparison go figure

Put me up against anybody you want and I'll gladly

bring the gold back

This is the finale
