

A Little Bit More

Sammy Hagar

I felt you pull away
Little bit more tonight, little bit more
I recognize that face that you wore tonight
A little bit more

And I know I shouldn't be surprised
And I know I should believe my eyes
But I don't wanna see it

I'm losing you
A little bit more tonight, a little bit more
And I don't wanna see, I'm losing you
A little bit more tonight, a little bit more

More space between the lines
Little bit more tonight, just a little bit more
It's like falling down
Three flights of love tonight or more

And I know I shouldn't be surprised
Yes and I know I should believe my eyes
But I don't wanna see it

I'm losing you
A little bit more tonight, a little bit more
And I don't wanna see, I'm losing you
A little bit more tonight, a little bit more

So don't think about it, go on and figure out it
No place to lay the blame down, everyone's a Saint
Her body's in the bedroom
But her head's gone out the door

Yeah, and I know I shouldn't be surprised
Yes, and I know I should believe my eyes
But I don't wanna see it

I'm losing you,
A little bit more tonight, a little bit more
And I don't wanna see, I'm losing you
A little bit more tonight, a little bit more

Na na na na na na na na na na
Na na na na na na na na na na

And I don't wanna see
That I'm losing you, oh no

I felt you pull away
A little bit more tonight, a little bit more
