

# Burnin' Down The City

Sammy Hagar

Oh, yeah! Uh!

See that face, so bright and new  
He'll burn it down, that's what he'll do  
Man is mad, he lost his head  
He'll paint this whole town red, oh yeah

Let's get it right  
Rock, rockin', ball, break  
Art for art sake, oh yeah

The midnight shift from two til five  
Workin hard to stay alive  
Can't slow down, can't stop  
Stay on the move to keep on top, oh yeah

Let's get it right now  
Rock, rockin', ball, break  
Art for art sake, yeah, uh  
Break, rockin', ball, rap  
Gettin' up is where it's at

C'mon now, burnin' down the city  
Yeah, let's get it right  
Burnin' down the city  
Yeah, let's strike tonight

Every night he rocks this place  
He burns the best, but never shows his face, oh, no.  
Burns the walls, burns a truck,  
Burns a trian, don't give a fuck, no, no.

One more time  
Rock, rockin', ball, break  
Art for art sake, oh yeah  
Get it, break, rockin', ball, rap  
Gettin' up is where it's at, yeah, that's right

One more time now, burnin' down the city  
Yeah, let's do it right  
Burnin' down the city  
Yeah, let's strike tonight

Hey  
Pick it up, pick it up, pick it up, pick it up  
Hey, uh

Break, rockin', ball, rap  
Gettin up is where it's at, yeah

Come on now, burnin' down the city  
Yeah, let's do it right  
Burnin' down the city  
Yeah, let's strike tonight

Oh, yeah, come on and burnin' down the city  
Let's do it right, hey

Burnin' down the city, hey  
Let's strike tonight

C'mon, let's get it right  
Let's get it right  
Let's get it, get it, get it, burn it  
Let's do it right, hey

Burn it, burn it down, down, down, down, down, down, down, down  
Let's strike tonight, uh  
Let's do it right  
Get it, get it, get it, get it  
Let's strike tonight  
Let's do it right
