

# Eagles Fly

Sammy Hagar

Sunday morning, 9 a.m.  
I saw fire in the sky  
I felt my heart pound in my chest  
I heard an eagle cry

Now I'm alive, I can breathe the air  
Feel the wind, smell the earth in the air  
I watch an eagle rise above the trees  
Project myself into what he sees

Hey

Take me away  
Come on and fly me away  
Take me up so high  
Where eagles fly

I often dream I sail through the sky  
I've always wished I could fly  
The simple life of a bird on the wing  
Oh Lord, I could sing

Hey, take me away  
Come on, fly me away  
Pick me up so high  
Where eagles fly, oh yeah

Oh, yeah

I'm alive, I breathe the air  
Wash the earth from my face  
I catch a glimpse of another dream  
I turn, I look, but there's no trace

Take me away  
Come on, fly me away  
I wanna fly away  
Pick me up so high  
Where eagles fly  
Oh yeah

Eagles fly, oh, take me away  
Eagles fly, oh, take me away  
Come on, let's fly away where eagles fly  
I wanna fly away, ooh, where eagles fly, yeah
