

# Give To Live

Sammy Hagar

Ooh, I can see that you've got fire in your eyes  
And the pain inside your heart  
So many things have come and torn your world apart  
Oh baby, baby, baby, don't give up, don't give up, don't give up

If you want love  
If you want love you've got to give a little  
If you want love  
If you want faith you just believe a little  
If you want love  
If you want peace turn your cheek a little  
Oh, you've got to give, you've got to give, you've got to give to live

An empty hand reaching out for someone  
An empty heart takes so little to fill  
It's so much easier to push instead of pull  
Oh baby, baby, baby, don't give up, don't give up, don't give up

If you want love  
If you want love you've got to give a little  
If you want love  
If you want faith you just believe a little  
If you want love  
If you want peace turn your cheek a little  
Oh, you've got to give, you've got to give, you've got to give to live

Each man's a country in his own right  
Oh, everybody needs a friend  
One friend, one God, one country  
No man need defend, yeah

I believe in fate and destination  
But so much of that lies in our own hands  
If you know what you want, just go on out and get it  
Oh baby, baby, just don't give up, no no, oh don't give up, yeah yeah

If you want love  
If you want love you've got to give a little  
If you want love  
If you want faith you just believe a little  
If you want love  
If you want peace turn your cheek a little  
Oh if you want love, you've got to give

If you want love  
Oh give to live  
If you want love  
You've got to give, you've got to give  
You've got to give to live  
If you want love  
If you want love  
Oh oh  
If you want love  
Oh oh  
If you want love  
Oh oh
