

I'm On A Roll

Sammy Hagar

Ladies and gentlemen, start your engines
'Cause I'm on a roll

Well, I'm on a roll, let it roll
Baby, roll, roll, roll
Well, I'm on a roll, let it roll
Roll, roll, roll

Well, we rollin' four wide
Comin' up on turn three
Goin' WFO
48 is draftin' me

I'm gettin' loose, I'm high
Tryin' to reach on back down
I'll be drinkin' from that big fat cup
When the checkered flag come down

I'm on a roll
Uh, roll, roll, roll
Yeah, I'm on a roll, let it roll, ow
Roll, roll, roll

Well now we're rollin' international
We racin' worldwide
Gonna get your darling turn to strike, wooh
On the left side

Got my right two tires
Firmly planted on the ground
And I'll be drinkin' from that silver cup
When the checkered flag come down

I'm on a roll, wooh baby
Roll, roll, roll

Well, tailgatin' in the parking lot
All weekend long
Team first flying high
100,000 strong

Yeah, yeah, I'm on a roll, roll, roll
Let it roll

Wooh, baby
Start your engines
'Cause I'm on a roll

(Roll, roll, roll) I'm on a roll, let it roll, let it roll
(Roll, roll, roll) Let it roll, baby
(Roll, roll, roll) Get it, get it, get it, I'm on a roll
(Roll, roll, roll) Let it roll, let it roll, let it roll
(Roll, roll, roll) Let it roll
