

Mas Tequila

Sammy Hagar

One, two, three
All right now, here we go
Now we're gonna tell you a little story here
About the way we like to party
Take ya on a trip
Hit it, wooh
That's right, uh

I'm goin' way down south where the big blue agave grow
 Takin' a weekend trip down to Baja, Mexico
 Where you can drink the water, but don't ya eat the ice
 Take your vitamin "T" with salt 'n lemon slice

I say
(One shot...Hey!) Mas tequila
(Two shots...Hey! Hey!) Que veneno
(Three shots...Hey!) y Arriba!
(Hey! Hey! Hey!) Mas Tequila!

She did a mean macarena to the funky cold medina
Behind a body shot and three margaritas
She'll drink it straight from the bottle, terra cotta jug
From a boda bag, coppin' a major buzz

I say
(One shot...Hey!) Mas tequila
(Two shots...Hey! Hey!) Que veneno
(Three shots...Hey!) y Arriba!
(Hey! Hey! Hey!) Mas Tequila!

Uno mas, bartender, wooh
Give me one more, mas tequila

(Hey, hey, hey, hey, hey)
Yeah, you can drink the water, but don't ya eat the ice
Take your vitamin "T" with salt 'n lemon slice

I say
(One shot...Hey!) Mas tequila
(Two shots...Hey! Hey!) Que veneno
(Three shots...Hey!) y Arriba!
(Hey! Hey! Hey!) Mas Tequila!

(One shot...Hey!) More tequila!
 (Two shots...Hey! Hey!) Que veneno
 (Three shots...Hey!) Ay yi yi yi yi yi yi yi yi yi yi yi yi yi yi
 (Hey! Hey! Hey! Hey! Hey! Hey! Hey!)
 Mas Tequila!
 No mas, no mas
