

Protection

Sammy Hagar

Lay down your arms
Go in peacefully
Lay down your freedom
Your individuality

No place to run, huh
You're outta sanctuary
So lay down your arms
Junior's got your gun

Hey, we need protection
Yeah, we need protection from the system
All we need protection

State your name
Where you're coming from
State your age, huh
Where you're going to

Hands on your head, wooh
Turn and face the wall
You're dead to rights, huh
You're messing with the law

Hey, we need protection
Yeah, we need protection from the system
All we need's protection
Hey, we need protection from protection
From protection from protection from protection

Hey, we need protection
Yeah, we need protection from the system
All we need's protection
Yeah, we need protection from protection
From protection from protection from protection

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
