

# Sailin'

Sammy Hagar

I've been up and down this highway  
Feelin' washed up on the shore  
But I can see the sun slowly risin' out there  
And I count down one more

And with the world up off my shoulders  
Hey, I can stand up straight and tall  
And slip my feet back in those worn out shoes  
And still make last call

And we go (sailin')  
Mmm hmm, (sailin')  
I wanna go (sailin')  
On that magic ship we're on  
[The Beach Boys "Sail On, Sailor"], sail on

To that place in my head  
That simple place I've never been, no  
They say the sun never goes down there  
Raise the canvas to the wind

And we'll go (sailin')  
I wanna go (sailin')  
Hey, I wanna go (sailin')  
Sailin' from the sunset till dawn  
[The Beach Boys "Sail On, Sailor"], sail on  
Mmm, sail on

I wanna go (sailin') (Cortez)  
I wanna go (sailin') (Magellan)  
Baby, let's go (sailin') (Christopher Columbus)  
Oh, I wanna go sailin' (sailin') (Sir Francis Drake)  
We gotta go sailin' (sailin')  
I wanna go (Jacques Cousteau) (sailin')  
Have that wind in my face [Jimmy Buffet]  
Oh we go sailin', sailin' (sailin')  
[The Beach Boys "Sail On, Sailor"]  
Let's go sailin'  
'Cause I wanna go sailin'
