

Shaka Doobie (The Limit)

Sammy Hagar

Walk out the bedroom
Into the light
Can't sleep 'cause morning's come
Can't sleep all night

Burned out the TV set
Burned outta sex
I ain't trashed
I'm fucking wrecked

(The sky's the limit) Shaka, Doobie, Shaka
(So high up in it) Shaka, Doobie

Oh, everybody hates me
And uh, I hate myself
She have no mercy, huh
She's something else

I don't feel stupid
I feel too sick
Another line, a shot
And who gives a shit

(The sky's the limit) Shaka, Doobie, Shaka, uh huh
(So high up in it) Shaka, Doobie, Shaka
(The sky's the limit) Shaka, Doobie, Shaka, uh huh
(So high up in it) Shaka, Doobie, Shaka, yeah

Shaka Doobie
Shaka Doobie
Shaka Doobie
Shaka Doobie

I like my sugar
Flat on her back
Juicin' it up baby
In the sack

(The sky's the limit) Shaka, Doobie, wooh
(So high up in it) Shaka, Doobie, Shaka, yeah
(The sky's the limit) Shaka, Doobie, Shaka
(So high up in it) Shaka, Doobie, yeah

Shaka Doobie
Shaka Doobie
Shaka Doobie
