

Sweet Hitchhiker

Sammy Hagar

Watch out standing in the road ahead
She got long blonde hair, all dressed in red
Yeah now I'm all alone but there's a room for three
Is she lookin' good? Soon enough I'll see
Come here

Sweet hitchhiker, I love you so
Sweet hitchhiker, I dig your clothes, huh
Sweet hitchhiker, honey I need to know
Sweet hitchhiker, come one, come on
Come on let's take a ride

I'll pull ya baby like I got ten wheel drive
I'm gonna thrill ya 'til ya wanna eat me alive
We'll take a ride down south for a short trip, huh
Come on, don't just stand there baby with your hand on your hip
Come over here

Sweet hitchhiker, 'Cause I love you so
Sweet hitchhiker, I sure dig your clothes
Sweet hitchhiker, honey I need to know
Sweet hitchhiker, come one, come on
Come on let's take a ride

I ain't no convict
No, I ain't no rapist
I maybe a little but crazy
But I'm not insane, not insane, no, no, ow

Blaupunkt blastin' my favourite song
Sun's shining down, hot and strong
Yeah, why don't you drive? Baby, here's the key
Just slide on in mama, this one's on me
Over here

Sweet hitchhiker, yeah I just love you so
Sweet hitchhiker, yeah, and I love your clothes, too
Sweet hitchhiker, mama I need to know
Sweet hitchhiker, yeah, come on, come on

Sweet hitchhiker, ow, huh
Sweet hitchhiker, oh yeah
Sweet hitchhiker, dig this
Sweet hitchhiker, come one, come on, come on

Sweet hitchhiker, come on, come on, come on, come on
Sweet hitchhiker, yeah, yeah, uh, uh, uh
Sweet hitchhiker
Sweet hitchhiker
