

Tropic Of Capricorn

Sammy Hagar

Ain't no island, no sandy beach
No waborita in my reach
But I can feel it, sure as I was born
Way down in the Tropic of Capricorn, wooh

Aye, aye, aye, aye, aye, aye, aye, aye, aye

I smell your body, feel your heat
You touch my senses, ooh wee
I climb your mountain, slide into your arms
Into the Tropic of Capricorn

I wanna live, wanna love
And find myself that little piece of paradise
I wanna fly, leaving yesterday
And wake up in the high of a paradise state of mind

Aye, aye, aye, aye, aye, aye, aye, aye, aye

It's what you're thinking, it's what ya feel
'Cause what you're seeing ain't really real
In three dimensions or maybe more
Oh baby, I got what you're looking for

I wanna live, I wanna love
And find myself that little piece of paradise
I wanna fly, leaving yesterday
And wake up in the high of a paradise state of mind

(Ooh, tropical paradise) Paradise
(Ooh, tropical state of mind) State of mind
(Ooh, tropical paradise) Wooh

Wanna wake up in the high
I wanna wake up in the heat of paradise

Aye, aye, aye, aye, aye, aye, aye, aye, aye

So let it shine for every mother
Let it shine for every son
Let it shine for every body
Let it shine on every one

Let it be for those who want it
Bad enough I'll give you mine
Just let it shine, let it shine
Let it shine

I wanna live, wanna love
And find myself that little piece of paradise
I wanna fly, leaving yesterday
Wake up in the high
I wanna wake up in the heat
I wanna wake up in paradise

(Down in the Tropic, down in the Tropic)
Aye, aye, aye, aye, aye, aye, aye, aye, aye

(Down in the Tropic of Capricorn)

I wanna live, I wanna love
(Down in the Tropic, down in the Tropic) Wooh
(Down in the Tropic of Capricorn)

I wanna fly, I'm leaving yesterday
(Down in the Tropic, down in the Tropic)
(Down in the Tropic of Capricorn)

Take me home, I'm gonna home
(Down in the Tropic, down in the Tropic) Wooh
(Down in the Tropic of Capricorn)

(Down in the Tropic, down in the Tropic)
Aye, aye, aye, aye, aye, aye, aye, aye, aye
(Down in the Tropic of Capricorn)

(Down in the Tropic, down in the Tropic)
(Down in the Tropic of Capricorn)
