Shoot them down to their graves, yeah

Spread the news for all to hear  
We've come to fight, let's make that clear

(We can make it stop) Oh yeah  
(We won't take it) Uh  
Let it rock

When we're together, we're the best  
We think as one, there's no contest  
We've got the power, they know the score  
We'll get so strong there'll be no war

Yeah  
(We don't like it) Oh no  
(We won't take it) Oh no, no, no, no, no, no, no, no, no  
(We don't like it)  
(We won't take it) Yeah
