

Raise the flag, let it wave
Shoot them down to their graves, yeah

Spread the news for all to hear
We've come to fight, let's make that clear
You push too hard, you're gonna fall
We got fifty million rockers, we're all on guard, yeah

(We don't like it) Oh no
(We can make it stop) Oh yeah
(We won't take it) C'mon
Let it rock

You in the middle east, now be on your toes
We're bound to strike, everybody knows
Just tell your friends, the USSR
We're gonna, we're gonna crash that party, 'cause they've gone
too far, yeah

(We don't like it) Oh no
(We can make it stop) Oh yeah
(We won't take it) Uh
Let it rock

When we're together, we're the best
We think as one, there's no contest
We've got the power, they know the score
We'll get so strong there'll be no war

Yeah
(We don't like it) Oh no
(We won't take it) Oh no, no, no, no, no, no, no, no, no, no
(We don't like it)
(We won't take it) Yeah
