

When It's Love

Sammy Hagar

Everybody's lookin' for somethin'
Somethin' to fill in the holes
We think a lot but don't talk much about it
Till things get out of control

How do I know when it's love
I can't tell you but it lasts forever
How does it feel when it's love
It's just something you feel together
When it's love

You look at every face in a crowd
Some shine and some keep you guessin'
Waiting for someone to come into focus
Teach you your final love lesson

How do I know when it's love
I can't tell you but it lasts forever
How does it feel when it's love
It's just something you feel together

When it's love
You can feel it yeah
Nothing's missing
Yeah

Nothing's missing

How do I know when it's love,
I can't tell you but it lasts forever
How does it feel when it's love
I can't tell you but it lasts forever

When it's love
When it's love
It'll last forever
When it's love
You and I
We're gonna feel this thing together
When it's love
When it's love
You can feel it
We'll make it last forever
When it's love
