

Would You Do It For Free?

Sammy Hagar

Would you do it for love?
Would you do it for pride?
If you gave it away
Would you be satisfied?

On your hands and knees, wooh
When the price is right, yeah
Oh, you say you believe
But baby, would you stand up and fight? Oh

I think you better ask yourself
Before you criticize me
Are you a victim of the system
Or the powers that be?

If there was nothing to gain, hey
Would you do it for free?
Yeah, would you do it for me?

Give it away in the bedroom
What you sell in the street, yeah
You spend a fortune on rags, wooh
And strip it down to the beat, oh

I think you better ask yourself
Before you criticize me
Are you a victim of the system
Or the powers that be?

If there was nothing to gain, hey
Would you do it for free?
Ask yourself
Would you do it for me?

Baby, uh, yeah
Uh, do it, for free
Hey, uh, yeah

Are you in love with what you do?
Are you satisfied?
Is your heart straight and true?
Or did money make you tell that cold faced lie?

I think you better ask yourself
Before you criticize me
Are you a victim of the system
Or the powers that be?

If there was nothing to gain, hey hey
Would you do it for free?
Yeah, would you do it for me?
Do it for free, do it for free
Baby, would you do it for free?

(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)

Are you satisfied?
Don't tell that cold, cold lie
Do it for free, do it for free, do it for free oh baby
Do it for free, do it for free, do it for free do it for me
Do it for free, do it for free, do it for free uh
Do it for free, do it for free
Do it, do it, do it, do it for me

Wooh
(Ooh, ooh, ooh)
Are you in love with what you do?
(Ooh, ooh, ooh)
Do it for free
Do it, do it, do it, do it, do it, do it, do it
