

# Don't Go Near The Water

Sammy Kershaw

Your momma used to worry bout' that big muddy river,  
Hunny do you remember?  
You let the screen door slam as you  
stepped off the front porch,  
ya hear ya momma callin' "Don't be late"  
And I could hear ya daddy Hollar  
"Son she's my only daughter"  
You'd stick your nose in the Honey Suckle  
down by the gate. I can still hear your momma  
callin' "Don't go near the water"

We fell right in way over our heads,  
but we didn't go near the water,  
A love and deep so young a sweet  
and the nights got hotter and hotter.  
We sho' Nuff gettin our feet wet momma,  
but we didn't go near the water.

You hear the rockin' chair squeakin as  
you sneak up the back stairs, momma waitin  
like a grizzly bear  
but you had to get the Honey Suckle outta yo' hair.  
But in the mornin light, We looked her  
right in the eyes, and it wasn't a lie,  
We didn't go near the water.

We fell right in way over our heads,  
but we didn't go near the water.  
A love and deep, So young and sweet,  
and the nights got hotter and hotter.  
We Sho' nuff' gettin our feet wet momma,  
but we didn't go near the water

We fell right in way over our heads,  
but we didn't go near the water,  
A love and deep so young a sweet  
and the nights got hotter and hotter.  
We sho' Nuff gettin our feet wet momma,  
but we didn't go near the water.

Your momma used to worry bout that  
big Muddy river,  
She should have worried bout me.  
Cause we were sho' nuff gettin our feet  
wet momma but we didn't go near the  
water

Didn't go near the water
