

I Finally Found Someone

Sammy Kershaw

I finally found someone
That knocks me off my feet
I finally found the one
That makes me feel complete
It started over coffee
We started off as friends
Its funny how from simple things, the best things begin
This time its different, it's all because of you
Its better than it's ever been
Cause we can talk it through

Ooo...my favorite line
Was can I call you sometime
Its all u had to say to take my breath away
This is it

This is it
I finally found someone
Someone to share my life
I finally found the one to be with every night
Cuz whatever I do it's just got to be you
My life has just begun
I finally found someone

Oooh someone I finally found someone

Did i keep u waiting? (I didn't mind)
I apologize (baby that's fine)
I will wait forever just to know you were mine (ooh)
You know I love your hair (sure it looks right?)
I love what you wear (isn't it too tight?)
You're exceptional
I can't wait for the rest of my life

Ohh my life has just begun I've finally found someone
And whatever I do..it's just got to be you
Ohh my life has just begun
I've finally found someone
