

Little Bit More

Sammy Kershaw

When your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more

Come on over here and lay by my side
I've got to be touchin' you
Let me rub your tired shoulders
The way I used to do

Look into my eyes and give me that smile
The one that always turns me on
And let me take your hair down
'Cause we're stayin' up to greet the sun

And when your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more

Got to say a few things that's been on my mind
And you know where my mind has been
I guess I've learned my lessons
And now's the time to begin

So if you're feelin' alright and ready for me
I know that I'm ready for you
We better get it on now
'Cause we've got our whole life to live through

And when your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more

Yes, when your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more
