

Incomplete Kisses

Sampha

Those incomplete kisses, we're waiting [?] with every step
In this house, we're sinking
But we're far too numb to really care
The TV keeps glitching
The [?]
And somehow you step out
To say you're not by yourself now

Those incomplete kisses, those incomplete kisses
Wait too long you'll miss it
Before long you're missing
Don't let your heart hide your story
Don't let your mind hide your story
'Cause if you deny others inside it gets to harder to belong, moving on

Flying high above all your memories
I have a bird's-eye view
I just look at the cemetery
He looks just like you
[?] purple-blue skies
A painting so true, and I hear those cries
Don't you leave me here, don't you leave me here

Those incomplete kisses, those incomplete
Wait too long you'll miss it, wait too long
Those incomplete kisses, those incomplete

Those incomplete kisses, those incomplete kisses
Wait too long you'll miss it
Before long you're missing
Don't let your heart hide your story
Don't let your mind hide your story
'Cause if you deny others inside it gets to harder to belong, moving on

Those incomplete kisses, we're waiting [?] with every step
In this house, we're sinking
But we're far too [?] to really care
The TV keeps glitching
The [?]
