

Without

Sampha

See, I don't wanna say you've got me
I don't wanna say you've got me
Ooh, yeah
I'm just glad that you're here ooh
Here, here
I see mountains and mountains are close
So I'm searching, here I'm searching for love
Only good it's not unfair
The only good it's not unfair
Yeah, yeah
Just sit, sit, sit we don't have to go, we don't have to go
With out, with out, with out without
Just sit, sit, sit, sit ooh I'm far from perfect
I see the pictures that you take,
The darkness in your days don't change
They don't change
But I say, say, say
Would you say, say, say?
Ooh you need somebody ...
I'm comfortable to say
That you are going to be OK, OK, OK, OK
Well I'll say, say, say, say, it
I can't stand forever, what this gonna straight, are calling ca

Ooh, with out you, ooh, with out you, ooh, with out you, ooh, w
ith out you, ooh, with out you ooh, with out you
Just say, that we don't have to go, that we don't have to go, t
