

Lover

San Cisco

You were running, and so was I
Haven't tears in your eyes
Will you really want to talk about it?
But I was there for you
So you can yell and shout it

And I would like to get to know you
Really like to get to know you
Could this show me, show me, show me how?

He tries way too hard
He've gotta think way too much
You don't know what you don't know
You are gonna find out
Because you said it so

And I would like to get to know you
Really like to get to know you
Could this show me, show me, show me how?

And I would like to get to know you
Really like to get to know you
Could this show me, show me, show me how?
