

First time we kissed I had a feeling  
Now I only get it when I'm dreaming  
What you say and what you do used to make me wanna be something  
But now your words to me mean nothing

Is there method to madness  
I move to you like a magnet

I keep an eye on our planets  
You retrograde when I'm static  
Alchemy is what you do when you think you're gonna lose me  
I'm check-a-checking out  
I'm freaking out now, about you

Maybe we can be magic  
Stuck in emotional traffic  
Is this some kind of magic  
I'm a sucker for your tricks

Is there method to madness  
I move to you like a magnet  
Maybe we can be magic  
I'm a just a sucker for your tricks

I'm just a sucker for your tricks  
Is this some kind of magic

Na na na na  
Na na na na

First time we kissed I had a feeling  
Now I only get it when I'm dreaming  
What you say and what you do used to make me wanna be something  
But now your words to me mean nothing
