

Ladies Mary

San Fermin

Oh god, my spirit is in trouble
I think want to be lonely
All the time
Oh no, I know there some kinda rapture
But love I'd rather not have to rhapsodize
Don't know how to feel
Waiting on another thrill
Ladies Mary on a Ferris wheel
I want nothing more than everything I asked for
And I was innocent
I know you think you're on a mission
Nobody's ever saved, when you idolize
Uh oh no don't want to be a Lady Mary
Put on a passion play for sentimental eyes
