

## Can We Talk

Sanchez

Last night I, I saw you standing  
And I started, started pretending  
I knew you, you knew me too  
And just like a lonely, you were too shy  
And you were the only and so was I  
And I, dreamed of you ever since  
Now I, build up my confidence  
That next, next time you come my way  
I'll know just what to say  
Can we talk for a minute?  
Girl, I want to know your name  
Can we talk for a minute?  
Girl, I want to know your name  
I started, to write you letters  
'Cause I want her to be more than ever  
I wanted to get down and receive  
To hug you, girl, yeah  
But, just like a baby, I do not talk  
I tried to get closer, but I could not walk  
And I dreamed of you ever since  
Now I build up my confidence  
That next, next time you come my way  
I'll know just what to say  
Can we talk for a minute?  
Girl, I want to know your name  
Can we talk for a minute?  
Girl, I want to know your name  
Last night I, I saw you standing  
And I started, started pretending  
I knew you and you knew me too  
And just like a lonely, you were too shy  
And you were the only 'cause so was I  
And I, dreamed of you ever since  
Now I, build up my confidence
