Last night I, I saw you standing And I started, started pretending I knew you, you knew me too And just like a lonely, you were too shy And you were the only and so was I And I, dreamed of you ever since Now I, build up my confidence That next, next time you come my way I'll know just what to say Can we talk for a minute? Girl, I want to know your name Can we talk for a minute? Girl, I want to know your name I started, to write you letters 'Cause I want her to be more than ever I wanted to get down and receive To hug you, girl, yeah But, just like a baby, I do not talk I tried to get closer, but I could not walk And I dreamed of you ever since Now I build up my confidence That next, next time you come my way I'll know just what to say Can we talk for a minute? Girl, I want to know your name Can we talk for a minute? Girl, I want to know your name Last night I, I saw you standing And I started, started pretending I knew you and you knew me too And just like a lonely, you were too shy And you were the only 'cause so was I And I, dreamed of you ever since Now I, build up my confidence
