

# Never Dis The Man

Sanchez

1. There are lots of signs in life,  
Some that you may not like,  
You could be living this minute,  
The next minute you are gone away  
Hold up your head my brothers,  
Be conscious my sisters  
And by your works you shall surely be paid (aahhh)

Chorus

Never try to dis the man with the handle,  
The one who's got the title  
The one who sits high and he looks down low (aay aahhh)  
And if you ever dis the man with the handle  
The one who's got the title,

Then you will be someone that he don't know

2. Say a prayer and chant Psalms  
Prayer a day keep the evil calm  
You don't have to go to church or be a Christian to call on Jah  
name  
Shout out the name Jehovah in the valleys,  
Shout out the name Javovah on the hills  
Shout out the name Javovah on the plains  
Or even if it rains  
Call on the name, call on Jah name the same  
Call on the name (yeaah)
