

# Beautiful Day

Sanctus Real

The heart is a bloom  
It shoots up through the stony ground  
But there's no room  
No space to rent in this town

You're out of luck  
And the reason that you had to care  
The traffic is stuck  
And you're not moving anywhere

You thought you'd found a friend  
To take you out of this place  
Someone you could lend a hand  
In return for grace

It's a beautiful day  
The sky falls, you feel like, beautiful day  
You don't let it get away

You're on the road  
But you've got no destination  
You're in the mud  
In the maze of her imagination  
You love this town

Even if that doesn't ring true  
You've been all over  
And it's been all over you

It's a beautiful day  
The sky falls, it feels like a beautiful day  
Don't let it get away

You see the world in green and blue  
See China right in front of you  
See the canyons broken by cloud  
See the tuna fleets clearing the sea out

See the Bedouin fires at night  
See the oil fields at first light  
See the bird with a leaf in her mouth  
After the flood all the colors came out, don't

It was a beautiful day  
Don't let it get away  
A beautiful day

Touch me  
And take me to that other place  
Reach me  
I know I'm not a hopeless case

What you don't have, you don't need it now  
What you don't know, you can feel it somehow  
What you don't have, you don't need it now  
Don't need it now, it's a beautiful day, it was a beautiful day

What you don't have, you don't need it now  
What you don't know, you can feel it somehow  
What you don't have, you don't need it now  
You don't need it now, you don't need it now  
You don't need it now, you don't need it now
