## **Things Like You**

## **Sanctus Real**

Loving things like you has wrecked my life, made me cry Loving things like you has made me lose my mind And I can't figure out why I've been hanging on To all these things I've tried to leave behind me for so long

And I think it's time to find a better way to live my life Than loving all those thingsthat keep me wrapped so tight

Everyone wants everyone else's eveything Some time's the more we have the less we really gain I'm tired of life and all that money has to buy Get out of my heart, out of my mind, leaving you behind

Loving things like you has left me bruised, black and blue Loving things like you has made me so confused And I can't figure out what I've been waiting on God I can't be living for things I know are wrong

Now I think it's time to write a better chapter in my life Leaving all those things that keep me wrapped so tight

Why are we obsessed with possessions here on earth?

Go and take a look at the flowers and the birds

God is always taking care of nature's every need

And how much more important in The Father's eyes are we?

I said, how much more important in The Father's eyes are we?

He sees everything
