

My Prayer For You

Sandi Patty

That you would know the love of God
That you would grow to love his truth
Savor him and know that he is good

To know he dances over you
And that he finds delight in loving you
He made you he formed you for his own

I pray you'll always keep the faith
And find your life in God alone
When darkness comes you'll hide inside his love

Cause when the night takes over day
Jesus will always be your only way
His hand will calm the fears that cloud your soul

That you will give your life away
And that your hands will always share his tenderness
Your feet will walk the road that leads to peace
That you'd bring honor to his name
That you would know him well
And make him Lord

This is his plan; this is my prayer for you
This is his plan; this is my prayer for you
This is my prayer for you
