

Heart of Stone

Sandi Thom

Your heart of stone treated me so bad
I was the best thing that you ever had
Your heart of stone treated me so mean
Now you've lost the only love you've seen

Your heart of stone won't bring me down
I've packed my bags I'm leaving town
Your heart of stone won't make me cry
I can't keep on living with your lies

Baby I'm leaving
I need some time
Some time on my own
Cause no matter how hard I try
I just can't break through your heart of stone

Your heart of stone will miss me one day
You'll wish you never played me that way
When your heart of stone turns to dust
It's a cold wind when you've got no one to trust

Your heart of stone can only lose
You won't find gold in the lonely blues
Your heart of stone could have had my heart
Your heart of stone tore it all apart

Baby I'm leaving
I need some time
Some time on my own
Cause no matter how hard I try
I just can't break through your heart of stone

Baby I'm leaving
I need some time
Some time on my own
Cause no matter how hard I try
I just can't break through your heart of stone

Baby I'm leaving
I need some time
Some time on my own
Cause no matter how hard I try
I just can't break through your heart of stone

I just cant break through your heart of stone
I just cant break through your heart of stone
I just cant break through your heart of stone
I just cant break through your heart of stone
