

November Rain

Sandi Thom

When I look into your eyes, I see a love restrained,
Darling when I hold you, don't you know, I feel the same,
But nothing lasts forever, and we both know, hearts can change,
And it's hard to hold a candle, in the cold November rain,
We've been through this such, along, long, time,
Just trying to heal the pain,
Lover's always coming, Lovers always going,
No one really knows you, let it go today,
Walking away,
And if we take the time, to lay it on the line,
I could rest my head, just knowing that you were mine,
All mine,
So if you want to love me, darling don't refrain,
Cos I'll just end up walking, in the cold November rain,
Do you need some time, on your own?
Do you need some time, all alone?
Oohhww everybody needs some time, on their own,
Oohhww don't you know you need some time, all alone,
Cos I know it's hard to keep an open heart,
And even friends, seem by to harm you,
But if you could heal a broken heart,
Would'nt time be out to charm you?
Wwooooooohhhhh,
Where your fears inside you,
Shadows still remain,
Oh yeah,
I know that you carn't love me,
And ther's no one left to blame'
Ooww yeah,
So never mind the darkness.we still can find a way,
But nothing lasts forever, even cold November rain,
Mmmmm
Do you need sometime, on your own?
Do you need sometime, all alone?
Oooowwww,
Everybody needs sometime, on their own,
Don't you know, you need sometime, all alone,
