

Girl Don't Come

Sandie Shaw

You have a date for half past eight tonight
Some distant bell starts chiming now.

You wanna see her
You wanna see her, oh yeah.
So you wait, you wait and wait
Girl don't come.

The time rolls on, those minutes fly by
You wanna go, but just you try, guy

You wanna see her
You wanna see her, oh yeah
So you wait, you wait and wait
Girl don't come

You've been stood up
Tears fill your eyes, ohoho
You're hurt inside
You wanna go, oho

You have a date for half past eight tonight
Some distant bell starts chiming now

You wanna see her
You wanna see her, oh yeah
So you wait, you wait and wait
Girl don't come

You've been stood up
Tears fill your eyes, ohoho
You're hurt inside
You wanna go, oho

You wanna see her
You wanna see her, oh yeah
So you wait, you wait and wait
Girl don't come
Girl don't come
Girl don't come
