

# Casino Royale

Sandra

I know it's late  
I shouldn't call at this hour  
But it's my fate I need lips to devour  
My nervous system is shot all right  
I won't sleep unless you

Sleep with me tonight  
Deep with me tonight  
(tonight)  
You play with fire  
They want your skull  
A spell of desire  
Affaires fatales  
Play with me tonight  
Casino royale  
Affaires fatales  
A spell of desire

I know it's late  
We've known each other a while  
I can't wait (can't wait)  
To see your twisted smile  
Kindred spirit of candlelight  
I won't sleep unless you

Sleep with me tonight  
Deep with me tonight  
(tonight)  
You play with fire  
They want your skull  
A spell of desire  
Affaires fatales  
Play with me tonight
