

Casino Royale

Sandra

I know it's late
I shouldn't call at this hour
But it's my fate I need lips to devour
My nervous system is shot all right
I won't sleep unless you

Sleep with me tonight
Deep with me tonight
(tonight)
You play with fire
They want your skull
A spell of desire
Affaires fatales
Play with me tonight
Casino royale
Affaires fatales
A spell of desire

I know it's late
We've known each other a while
I can't wait (can't wait)
To see your twisted smile
Kindred spirit of candlelight
I won't sleep unless you

Sleep with me tonight
Deep with me tonight
(tonight)
You play with fire
They want your skull
A spell of desire
Affaires fatales
Play with me tonight
