

Hi! Hi! Hi!

Sandra

you  
can't run  
can't hide  
I  
can't leave  
your side

when your heart is burnin'  
turn me inside out if you can  
love is just the yearnin'  
searchin' for a caressin' hand

we need emotion  
love is incurable  
I say Hi! Hi! Hi!  
gimme a sign  
we might apologize  
an' we might realize Hi! Hi!  
we need emotion  
love is incurable  
I say Hi! Hi! Hi!  
gimme a sign

I  
can't lie  
can't fly  
while  
we share  
this style

this might be the answer  
to the latest question we had  
runnin' round my mind  
it doesn't cease drivin' me mad

we need emotion  
love is incurable  
I say Hi! Hi! Hi!  
gimme a sign
