

## I Need Love '95

Sandra

I need,  
I need,  
I need, I need,  
I need, I need, I need, I need love!  
I need,  
I need love!  
I need, I need,  
I need, I need, I need, I need love!  
I don't wanna be alone tonight,  
Don't wanna see the morning light,  
The only thing I need is love...  
I, I'm only waiting on a sign,  
Anticipating you'll be mine,  
The only thing I need is love,  
(You need love, you need love, you need love!)  
I need,  
I need, I need love!  
I need, I need,  
I need, I need, I need, I need love!  
(Oh baby, I miss you so)  
I need love! I need love!  
(Oh oh baby, I need you and I miss you so)  
I need love!  
Heart beats like crazy,  
I need love!  
(You need love, you need love, you need love)  
Reach out and feel me,  
I need love!  
(You need love, you need love, you need love)  
Heart beats like crazy,  
I need love!  
(You need love, you need love, you need love)  
Reach out and feel me,  
I need love!
