

I Need Love '95

Sandra

I need,
I need,
I need, I need,
I need, I need, I need, I need love!
I need,
I need love!
I need, I need,
I need, I need, I need, I need love!
I don't wanna be alone tonight,
Don't wanna see the morning light,
The only thing I need is love...
I, I'm only waiting on a sign,
Anticipating you'll be mine,
The only thing I need is love,
(You need love, you need love, you need love!)
I need,
I need, I need love!
I need, I need,
I need, I need, I need, I need love!
(Oh baby, I miss you so)
I need love! I need love!
(Oh oh baby, I need you and I miss you so)
I need love!
Heart beats like crazy,
I need love!
(You need love, you need love, you need love)
Reach out and feel me,
I need love!
(You need love, you need love, you need love)
Heart beats like crazy,
I need love!
(You need love, you need love, you need love)
Reach out and feel me,
I need love!
