

# Just Like Diamonds

Sandra

Fade away  
My time in slow motion  
Any day  
When I hear you call  
I tremble deep inside  
Means love  
Tonight

Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
An' my tears are nothing more  
Than a dream  
Just like diamonds

Heard a song  
My face on your shoulder  
For so long  
I could hear this song  
It lingers in my heart  
Means love  
Tonight

Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
An' my tears are nothing more  
Than a dream  
Just like diamonds

Your eyes  
Keep shinin'  
Just like diamonds
