

Just Like Diamonds

Sandra

Fade away
My time in slow motion
Any day
When I hear you call
I tremble deep inside
Means love
Tonight

Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
An' my tears are nothing more
Than a dream
Just like diamonds

Heard a song
My face on your shoulder
For so long
I could hear this song
It lingers in my heart
Means love
Tonight

Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
An' my tears are nothing more
Than a dream
Just like diamonds

Your eyes
Keep shinin'
Just like diamonds
