

Kiss My...

Sandra

I wanna bang my head against the wall
to see what it feels like, to loose control
it's just a state of mind I'm in
you're just waiting for the minute that I tell you that you can
and kiss my... (kiss my, kiss my)
you can kiss my... (kiss my, ah)

oh I don't know why, you have to be so cold, why you
I'll free your mind, heard you cry
come on baby, just shut up, and kiss my...

wanna put on your clothes to keep me warm
it's how you treat the matter of the middle of storm
are you driving me insane (driving me insane)
to hear your sexy voice it's screaming
screaming out my name
and kiss my... (kiss my, kiss my)
you can kiss my... (kiss my, ah)

oh I don't know why, you have to be so cold, why you
I'll free your mind, heard you cry
come on baby, just shut up, and kiss my...

if you'd just keep being to my baby
stop being such a chicken shit
(ha ha)
I'd take, you'd give, if you were maybe
I won't let you, I won't let you (let you)

oh I don't know why (why, why)
I'll free your mind, heard you cry
just shut up!

oh I don't know why, you have to be so cold, why you
I'll free your mind, heard you cry
come on baby, just shut up, and kiss my...

just shut up and kiss my...
(and kiss my)
you can kiss my...
(kiss my, kiss my)
